

You Ring My Bell (Rhythm 101) Wade Driver

OPENER - MIDDLE BREAK - CLOSER

Four ladies promenade it's one time around
Get home and swing your baby round and round
Join all your hands and circle left I sing
Left allemande, c'mon weave the ring
Your love has lifted me above and beyond
Dosado, promenade home
You've gotten underneath my skin I can tell
You ring my bell

FIGURE

Head couples promenade it's halfway you know
Square thru and count to four round you go
Go all the way and do a right and left thru
Slide thru and then you square thru again
Four hands, trade by, the corner you swing
Swing that lady, promenade the ring
You've gotten underneath my skin I can tell
You ring my bell
